

Statement Concerning Personal Attacks on our Student, Sandra Fluke

The undersigned faculty members, administrators and students of Georgetown University Law Center and other law schools strongly condemn the recent personal attacks on our student, Sandra Fluke. Ms. Fluke has had the courage to publicly defend and advocate for her beliefs about an important issue of widespread concern. She has done so with passion and intelligence. And she has been rewarded with the basest sort of name-calling and vilification, words that aim only to belittle and intimidate. As scholars and teachers who aim to train public-spirited lawyers, no matter what their politics, to engage intelligently and meaningfully with the world, we abhor these attacks on Ms. Fluke and applaud her strength and grace in the face of them.
